B. R. GARUDACHAR,
Sanitary Engineer.

BANGALORE DIVISION.

Abstract Notification datad 8th October 1936.

The attention of the public is invited to the detailed Notification, inviting tenders for Restoring Bannaghalli Chickere, Register No. 173 of Chennapatna Taluk, published on pages 1693-1694 of Part VI of the *Mysore Gazette*, dated 15th October 1936.

The last date for the receipt of the tender is 2 P.M., on 2nd November 1936 and the earnest money to accompany the tender is Rs. 200.

Notification dated 15th October 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 2nd November 1936, for the maintenance work to Sannanhalli Thavarekere, Magadi Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1937.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposited of Rupees two hundred (Rs. 200) in cash or Government Promissory Notes, as earnest money, and be superscribed " Tender for the maintenance work to Sannanhalli Thavarekere, Magadi Taluk, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Approximate quantities required for the maintenance work to Sannanhalli Thavarekere of Magadi Taluk.

No.	Items of work	Unit	Quantity	Rate sanctioned	Rate quoted in	
					Figures	Words
				Rs. a. p.		
1	Earthwork to bund with lead and lift including watering and tamping. ..	Cyd.	11,000	0 4 0

M. A. SRINIVASACHARI,
Executive Engineer.

OFFICE OF THE ASSISTANT ENGINEER, HEADQUARTER RANGE, MYSORE.

Notification dated 8th October 1936.

1. Sealed tenders will be received at the Office of the Assistant Engineer, Headquarter Range, Mysore, up to 12 Noon on 2nd November 1936, for extending the Boys' Middle School Building at Lakshmipuram, Mysore.

2. Tenders in the prescribed form obtainable from the Office of the Assistant Engineer, Headquarter Range, Mysore, on payment of Rupee one for each form should be addressed to the Assistant Engineer, Headquarter Range, and should be superscribed as "Tender for Extending the Boys' Middle School Building at Lakshmipuram, Mysore." The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 175 (one hundred and seventy-five only) in cash or Government Promissory Notes or Mysore Government Bonds at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. (Cash amount will not carry any interest).

4. The tenders will be opened in the presence of such tenderers who wish to be present on 2nd November 1936 at 3 P.M. The final acceptance of the tender will rest with the Assistant Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever, for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Assistant Engineer's Office, in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the Agreement in the departmental schedule contract form for the due fulfilment of the contract.

6. Failure to comply with the Condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings, may be seen at any time at the Office of the Assistant Engineer, Headquarter Range, Mysore, on all working days between 11 A.M. and 5 P.M.

8. Specific rate should be given for each item in the schedule and the rates should be in rupees, annas and in multiples of three pies and expressed in words and figures. Tenderers offering a percentage increase or decrease on the estimate amount or estimated rates or the lowest tender will be rejected.

9. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates tendered should include all such lumpsum items.

10. No alterations which are made by the tenderers in the Contract documents in the nomenclature of the sanctioned sub-heads will be recognised and if corrections are made the tenders will be liable to rejection.

11. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

12. No reference should be made to the Public Works Department current schedule of rates.

13. On the event of the tender being submitted by a Firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney, authorising him to do so.
